Add Hepatitis Awareness to Your Calendar

May 10, 2015 By Lucinda K. Porter RN

In observance of Hepatitis Awareness Month, in May I am posting to this blog daily, suggesting ways to help raise awareness about issues surrounding hepatitis C.

Do you know if there are hepatitis awareness events going on in your community? For instance, is anyone in your town or city offering hepatitis screening on Hepatitis Testing Day, May 19th?

Here is a list of resources to help you find out what is happening in the world of hepatitis C - you can also use these resources to post your hepatitis awareness or testing events:

- CDC's National Viral Hepatitis Testing Day
- NVHR's member list
- Hep's calender
- Check with your state's CDC Viral Hepatitis Prevention Coordinator on programs or events in your state
