Fighting Hepatitis C with Faith

November 18, 2015 By Connie M. Welch

There is hope in fighting Hepatitis C, because we know what faith can do. Faith turns impossible inside out. For nothing is impossible with God. Sometimes you have to walk through the dark valley to get to the mountain top.
When you feel like giving up and depleted of hope, hang on to faith and be looking for what God is doing. He is there and He will never give up on you or your situation. Never give up hope on medical treatment and how God can work through what seems to be the impossible.

I personally went through two failed treatments, but I held onto faith and hope that some day God would open a door and make a way possible for me. Even though waiting was hard, years later a new treatment became available and it was my time to take God's hand and try treatment again. God worked a miracle through that treatment and brought me the cure from Hep C.

Faith makes up the core of our character. It's vital to who we are. No matter if we're on top of the world or our world is shattered, our foundation of faith is what we stand on. Fight Hepatitis C with Faith.

Roy Lessin puts it this way, "*The eyes of Faith can see what your physical eyes can never see. The knowing of Faith goes beyond what your natural mind can ever comprehend. The possession of Faith receives what your physical arms can never embrace.*
Your faith in God is your lifeline to His heartbeat; it is the hand that reaches up and takes hold of God's promises. It gathers in the spiritual treasures that are found in Christ. It stands upon what is sure and certain. It rests in what is unfailing. It says "yes" to every promise written. It moves forward with all confidence in a God who cannot fail."

He holds on to us even when we cannot see His hand. He never let's go. He is always there.

No matter what, are you holding on?

I hope you will hold on this week to one of God's very great promises,
Don't be afraid, for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand. Isaiah 41:10 NLT

Our featured song this week is "What Faith Can Do" by Kutless. This song encourages us with hope and strength for anyone weary on their journey. Are you facing a life changing event in your life? Are you weary from battle? We all need to be reminded of What Faith Can Do.

"Find rest, O my soul, in God alone; my hope comes from him. He alone is my rock and my salvation; he is my fortress, I will not be shaken. Psalm 62; 5-6

This song beautifully ties into the words of our special scripture this week, Trust in him at all times, O people; pour out your hearts to him, for God is our refuge." Psalm 62:8
Reach out fellow warrior and hold on.

Are you fighting Hepatitis C? You are not alone.
