Friday Fact: It’s National Blue and Green Day for Organ Donor Awareness

April 21, 2017 By Lucinda K. Porter RN

Blogging daily in April in recognition of National Donate Life Month. Please register as an organ donor and help to raise awareness about this lifesaving gift.

It’s National Blue and Green Day, a day set aside to observe organ donor awareness. There are over 118,200 people who need a lifesaving organ transplant. Of these, nearly 76,000 are active wait list candidates. The majority are waiting for kidney transplantation. Second place on the list are those waiting for livers at more than 14,000.
