Plaster Your Community with Hepatitis C Awareness Posters

May 14, 2015 By Lucinda K. Porter RN

In observance of Hepatitis Awareness Month, in May I am posting to this blog daily, suggesting ways to help raise awareness about issues surrounding hepatitis C.

Distribute hepatitis C awareness campaign posters, fact sheets or infographics at health clinics, community centers, health fairs, kiosks, or doctor's offices. The Centers for Disease Control and Prevention (CDC) has a selection of 12 powerful hepatitis C awareness posters that you can download and print.
