# Hepatitis C Treatment Journey: Facing the Giants Wholeheartedly

June 17, 2013 By Connie M. Welch

---

The Treatment for Hepatitis C is a journey with many up and down moments. Moments when you feel overwhelmed with doubt, tired and worn out, wanting to quit, but from your gut you know those emotions are only on the surface and you can't give up, you have to keep going.

Only God knows what He has prepared us to do, did you get that, "what He has prepared us to do, not what we think we can do."

Deuteronomy 30:11, "Now what I am commanding you today is not too difficult for you or beyond your reach."

I cannot rely on my ability. I need His strength and endurance to go further than I could ever do on my own.

The Giant before us can be many different obstacles that seem impossible to overcome. But God will give you what you need when you need it. Turn to Him and listen to His voice of truth. There is no room for doubt, no room for defeat, because With God ALL Things Are Possible.

Hepatitis C is a Giant. But YOU ARE A GIANT KILLER. Let us Face this Giant Wholeheartedly just as David fought Goliath we fight Hepatitis C. A nugget from Max Lucado's book, Facing Your Giants; "Focus on giants-you stumble. Focus on God-your giants tumble."

Deuteronomy 31:6, "Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you."

Deuteronomy 31:8, "The Lord himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged."

A great inspiration and encouragement from the movie, "Facing the Giants" parallels our treatment journey as we face the Hepatitis C Giant. May we stand strong in faith, strength and perseverance through Jesus Christ.

Philippians 4:13, “I can do all things through Christ who strengthens me.”

Nothing AHEAD of you is bigger or stronger than the POWER of God BEHIND you.

What giants are in front of you?
