Make Hepatitis Awareness Visible

May 15, 2015 By Lucinda K. Porter RN

In observance of Hepatitis Awareness Month, in May I am posting to this blog daily, suggesting ways to help raise awareness about issues surrounding hepatitis C.

Hepatitis Testing Day is soon (May 19th). This is a good time to dig out your hepatitis awareness t-shirt. Don't have one? You can make a sign. The CDC's hepatitis C posters would make beautiful signs.

Don't Forget: NVHR and the Latino Commission on AIDS are co-hosting a Twitter chat on today, May 15, 2015 at 2:30 pm Eastern in honor of National Hispanic Hepatitis Awareness Day. Follow @NVHR1 on Twitter, and join the conversation and help promote awareness events in your community.
