Life Beyond Hepatitis C: Blessings Through Hepatitis C

May 31, 2013 By Connie M. Welch

No matter what your going through be it, Hepatitis C, Treatment, or any other condition, the featured song & scripture for this week will speak to your heart in a new way.

“Blessings” by Laura Story represents a full circle for me. When I began the new triple therapy treatment for Hepatitis C in April of 2012, this song ministered to my heart.

As I held tightly to Jesus hand as we began to walk through the dark valley I held to the promise that through this dark valley there would be blessings. That proved to be true, continually, blessing did come through rain drops and healing came through tears and He never left my side, his peace ruled over all things.

No matter what you are facing right now, listen to the words of this song and special scripture with an open heart & ears. . . listen and hear Jesus speak to you.

Our special scripture to memorize and meditate on this week:

Now faith is confidence in what we hope for and assurance in what we do not see. Hebrews 11:1 NIV

Lord, thank you today that even though we are walking through the dark valley, you are right here by our side reassuring us with your hope and promises. Jesus You Reign over all things!

Though I walk in the midst of trouble, you preserve my life. Psalm 138:7

I have set the Lord always before me. Because he is at my right hand, I will not be shaken. Psalm 16:8
