Day 3 USCA: HHS's Corinna Dan Discusses Impacts of Viral Hepatitis and equity issues

September 12, 2018 By HHS Viral Hepatitis Blog

Cross-posted from the HIV.gov blog

On the third day of the 2018 U.S. Conference on AIDS (USCA) Corinna Dan, R.N., M.P.H., Viral Hepatitis Policy Advisor, Office of HIV/AIDS and Infectious Disease Policy, HHS shared information from her USCA presentation. Watch the video.

If you have trouble viewing the embedded Facebook live video, you can view it on Facebook.

Ms. Dan focused on viral hepatitis elimination as an equity issue affecting particular populations. She also provided a description of the National Viral Hepatitis Action Plan as a tool to to strengthen our collective response to hepatitis B and hepatitis C infections.

Follow our blog, Twitter and Facebook and sign up for our Facebook Messenger Chatbot for information on SMAIF and other federal activities at USCA. If you are at USCA, visit our Social Media Lab with any questions on social media support. We're still open until 6pm today and between 9 and 11am tomorrow morning.

Watch: @Hepatitis411 discusses viral hepatitis elimination as an equity issue affecting particular populations at #2018USCA. Read more via @HHS_ViralHep. https://go.usa.gov/xPCnM
