Fighting Hepatitis C: The Voice of Truth

June 16, 2014 By Connie M. Welch

“The Voice of Truth” by Casting Crowns. If there was a theme song for fighting Hepatitis C this is it. It is written for Hep C Warriors who are Giant Killers.

God’s voice of truth rings out through this song and in our scripture verse of the week,

“So do not fear, for I am with you; Do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.” Isaiah 41:10

What is God telling YOU through this verse?

Meditate on the words of this song and scripture. Open your heart and listen to His voice of truth. He empowers you with His spirit to be transformed from who you are into a conquering warrior.

You can choose to NOT listen to the voice of discouragement and drown out the static. Like a bad radio station you can change the station and choose to listen only to the voice of truth from God. Meditate on His words and truth and you will be fortified and strengthen. What we graze on matters! Choose to be nourished and strengthen, not depleted and dwell in despair. Remember, whatever you face today, you do not face it alone, the Lord God Almighty is right there with you.
