May 14, 2015 By [Lucinda K. Porter RN](#)

 In observance of [Hepatitis Awareness Month](#), in May I am posting to this blog daily, suggesting ways to help raise awareness about issues surrounding hepatitis C.

Distribute hepatitis C awareness campaign posters, [fact sheets](#) or [infographics](#) at health clinics, community centers, health fairs, kiosks, or doctor's offices. The Centers for Disease Control and Prevention (CDC) has a selection of 12 powerful [hepatitis C awareness posters](#) that you can download and print.
