

Walking in Faith with Hepatitis C

August 18, 2014 By [Connie M. Welch](#)

Deep in the heart of every Hep C Warrior is a flame of courage that is ignited by Faith. No matter where you are in your journey with Hepatitis C, rest assure, you are not walking alone. God is right there besides you. And so are we!

Roy Lessin shares this incredible truth, "The eyes of Faith can see what your physical eyes can never see. The knowing of Faith goes beyond what your natural mind can ever comprehend. Your Faith in God is your lifeline to His heartbeat; it is the hand that reaches up and takes hold of God's promises."

When our eyes see what is before us, we need to look deeper through the eyes of Faith to see beyond the temporary. The three cords of this lifeline are Faith, Trust, Courage.

One of my favorite quotes for Living Beyond our Circumstances is from the author Carole Lewis, "As you look to the future I want you to consider three major points; First, you need to pray to see beyond the obvious; Then you need to pray beyond the possible; And finally you need to live beyond the temporary."

Each step we take on this journey we need to remember, "We walk by Faith, not by sight." 2 Corinthians 5:7
