Week 10 of Devon Nicholson's triple therapy Hepatitis C treatment video update has been released today.

In this video update (Shot on December 22nd 2012) Devon Nicholson takes time to thank the viewers and everyone who has been giving support and well wishes.

He talks about the importance of having a good support system while undergoing treatment and the values of family and friends.

He gives special thanks to Wayne Coleman aka Superstar Billy Graham who is a former WWWF (now WWE) world champion and who is also battling Hepatitis C. Coleman befriended Nicholson after learning that they both suffer from the blood disease Hepatitis C and has been pivotal in directing Devon to get the right treatment.

Devon also thanks his girlfriend and family who have suffered along with him and helped him in every step to carry the burden of dealing with a deadly disease. The holidays are a time for family and this becomes even more evident as Devon's treatment continues. Devon ends the video update with a plea to never give up and a vow to beat Hepatitis C!
