# Hope in Fighting Hepatitis C: What Faith Can Do

June 5, 2013 By Connie M. Welch

There is hope in fighting Hepatitis C, because we know what faith can do. Faith turns impossible inside out. For nothing is impossible with God. Sometimes you have to walk through the dark valley to get to the mountain top.

When you feel like giving up and depleted of hope, hang on to faith and be looking for what God is doing. He is there and He will never give up on you or your situation.

Our featured song this week is “What Faith Can Do” by Kutless. This song gives out hope and strength for anyone weary on their journey. Are you facing a life changing event in your life? Are you weary from battle? We all need to be reminded of What Faith Can Do.

“Find rest, O my soul, in God alone; my hope comes from him. He alone is my rock and my salvation; he is my fortress, I will not be shaken.” Psalm 62; 5-6

This song beautifully ties into the words of our special scripture this week, “Trust in him at all times, O people; pour out your hearts to him, for God is our refuge.” Psalm 62:8
