

Make Hepatitis Awareness Visible

May 15, 2015 By [Lucinda K. Porter RN](#)

In observance of [Hepatitis Awareness Month](#), in May I am posting to this blog daily, suggesting ways to help raise awareness about issues surrounding hepatitis C.

[Hepatitis Testing Day](#) is soon (May 19th). This is a good time to dig out your hepatitis awareness t-shirt. Don't have one? You can make a sign. The CDC's [hepatitis C posters](#) would make beautiful signs.

Don't Forget: [NVHR](#) and the [Latino Commission on AIDS](#) are co-hosting a Twitter chat on today, May 15, 2015 at 2:30 pm Eastern in honor of [National Hispanic Hepatitis Awareness Day](#). Follow @NVHR1 on Twitter, and join the conversation and help promote awareness events in your community.
