---

**41**

An average of 41 people in the United States die every day from complications related to hepatitis C

**41**

people die from hepatitis C - every day

think about it

**41**

mothers, fathers, sons, daughters, brothers, sisters, grandmothers, grandfathers, aunts, uncles

and friends

die every day

**41**

think about it

but don't think too long

instead, do something about it - today

41 people need help
