White House Petition to End Hepatitis C Launch Press Conference

February 27, 2013 By Margaret Dudley

I wanted to share the video from our White House Petition launch press conference. It was held on February 19, 2013 in San Antonio. It features my husband Gary Dudley, Timothy Boyd, director of domestic policy for the AIDS Healthcare Foundation (AHF), Elisa Chan, a member of the San Antonio City Council, and many more.

Here's a video of some question and answer sessions we did with the media after the press conference.
